

Description of service

The portal <http://www.ceskatelevize.cz/telexport/> provides registered users with an overview of Czech Television's original production.

In order to make it as simple and user-friendly as possible, it is divided into the following sections:

Welcome

On the introductory page – your starting point - you will find all important contacts to our TELEXPORT Department, including contact data of our business representatives for individual regions.

Programmes

This section contains information about the programmes offered, with the possibility of full-text search in the list of programme titles and descriptions. Here registered users can view samples from the programmes.

Login/out

This section is serving for the registration of new users or login of current ones (see below).

Fields marked with asterisks are obligatory.

New users shall send their registration requests by means of the registration form, making sure that they have filled in all the compulsory data which are marked with an asterisk (*). **In particular it is necessary to fill in correctly the e-mail address**, as it will be used for user verification and confirmation of successful registration.

After submitting the registration form (by clicking on the *Send request* button), a confirmation message with a link is sent to the given e-mail address. After clicking on the link, the e-mail address is verified, and a message with login and password is sent to the user. Now it is necessary to wait for the account activation. The user is informed about the activation in a subsequent e-mail message. **Until the account is activated, it is not possible to log in by means of it.**

For security reasons, please do not share your password any further.
