The Tenor Štefan Margita (Tenorista Štefan Margita)

A documentary portrait of the prominent personage of the world opera scene, as well as same time a very sociable, gregarious and kind man. Štefan Margita keeps on returning to the Czech Republic, even though he could have easily settled down abroad thanks to magnificent offers he's been receiving. It is precisely his endless peregrination, and the circumstances of his demanding profession, that are the central theme of this film.
