# Game of Power (Vysoká hra)

This two-part thriller is based on several specific criminal cases that reach to the upper echelons of the political scene. The degree of their participants' impudence is commensurate to the profit to be gained. Tracking and wiretapping are only a piece in the mosaic of their game plan and thus nobody can be sure who is following whom and why. The main protagonist is a police officer in the Anti-Corruption Department, Tomáš Krása, who is trying to uncover corruption, sometimes on his own, outside of the department. Tomáš joins forces with a self-confident and ambitious reporter and together they dive into the investigation. They run up against cheaters, however, who intend to win at any cost.
