Jiří & Otto Bubeníček

The brothers Bubeníček, ranking among the most prominent dancers of the world ballet scene, celebrated their 40th birth anniversary in 2014. On this occasion they both announced the end of their career. The documentary about their life and work shows the last performance of each of them. Jiří parts with the ensemble of the Dresden Semper Opera, and Otto says goodbye to the world-famous Opera in Hamburg. But their "jubilee" of course doesn't mean a total stop of their top-rate interpretation activity, but a gradual passing into a new and just as interesting creative period. The shots of the stage and its background were taken in Dresden, Hamburg, Paris, Dortmund as well as Japan.
