BROTHERS JIRI AND OTTO BUBENÍČEK

LES BALLETS BUBENÍČEK

LES BALLETS BUBENÍČEK

The phenomenal dancers twins Jiří and Otto Bubeníček, legendary figures of world ballet, combined different artistic trends to create their own programme – the unforgettable gala performance Les Ballets Bubeníček, presented on the stage of the Prague National Theatre in 2014. It included four choreographies – Le Souffles de l'Esprit, Toccata, Faun and The Picture of Dorian Gray by Jiří Bubeníček, first soloist of Semperoper Ballet in Dresden. The music, scene and costumes were designed by his brother Otto, first soloist of Hamburg Ballet. The famous twins danced in the first and the last parts of the performance. They shared the stage with dancers of leading European ensembles – the Dresden, Berlin and Swedish Ballets.
