

LORD OF THE MOUNTAINS' SECRET

LORD OF THE MOUNTAINS' SECRET (Krakonošovo tajemství)

Once upon a time, a noble lord lived in a castle. He treated his employees with respect, but poverty drove him into debt. With the hope of rescue, he decided to find a hidden treasure in the cave. He was mugged, robbed, and nearly beaten to death by his greedy neighbor. The spirits of the mountains saved him, in exchange for guarding the mountains forever. So, Lord of the Mountains was born. In 300 years, brothers, heirs of the manor's neighbor, inherited the Lord's castle. The brother's desire for riches leads them to a cave for treasure. In retaliation for their grandfather's attack on the lord, the Lord of Mountain imprisoned them in the cave. Will love triumph over greed and will the castle finally fall into the right hands?
