NO BIG DEAL (Vlastně se nic nestalo)

A six-part series with light comedic or satirical elements explores the theme of the intimate life of young adults under the influence of the massive presence of „communication platforms“ in their lives. It specifically focuses on the popular network OnlyFans. The plot revolves around the unexpected entrance of the „influencer“ Andrea into the couple's stagnant life, which stirs up their emotional, sexual and psychological insecurities. On the other line, we follow Andrea herself and her mainly economically motivated descent into the darker waters of „sex-influencerism“.
