Sign of the Horse II (Znamení koně II)

The episodes of the second part of the serial, situated in the environment of a horse farm, follow up the previous one; the time distance is three years. Klára Horová, the main character, has exchanged her promising career as horse racing rider for the role of mother and housewife. But when the Blue Mystery mare, stabled at Sun Mountain, suffers an injury during the Great Pardubice Steeplechase, she regards it as her duty to return the injured mare – and herself – onto the racing track, despite all the obstacles and problems involved. Most of the characters appearing in the first part of the serial return, too, but new ones enter the scene as well. Including Count Schwarz's nephew, who comes with the offer of buying the rare breeding stallion Falstaff. Also hardly unnoticeable is Adam Mlynář, the owner of Blue Mystery. And last but not least, there is Bohdan Drha – and investor, who has great plans with the region where both the Sun Mountain and the St Hubert farms are situated.
