THE THREE PRINCESSES (Tři princezny)

An epic fairy-tale in which three princesses, the clever Sofie, brave Leona and beautiful Flóra, have to gather courage and work together in order to overcome the uneasy tasks that await them along their way to save the kingdom from the dark threat of the evil queen Mortana. In her desperate desire for eternal youth, she is willing to devastate nature and wage a war. In order to succeed, princesses have to use every bit of their wit, strength and charm. If at least one manages to accomplish Mortana's task, she will not only save her kingdom but also gain prince Felix's hand in marriage.
