True Colors (Správnej dres)

Simona is an ex-Miss of North Bohemia and wife of a somewhat paranoid NHL star. During the NHL lockout, Simona with her husband Radek are spending some time in the Czech Republic, and Simona is trying to find a "normal" job which wouldn't be based only on her appearance as a model. But soon she finds out that without completed secondary (high) school education her chances are poor. By coincidence she meets university professor Ondřej who focuses on adult education. He needs money to pay child support, and so Simona has no problem persuading him to prepare her for the final exams. The situation however soon starts getting complicated. Simona's husband Radek, who anxiously guards his private life against Czech paparazzi, wants to go to play ice hockey in Russia. And Simona slowly starts realising that things might not be as they appear...
